This report provides key measures and metrics for Oregon GEAR UP's grant objectives, organized by the 5 "R"s: Reaching Higher, Rigor, Relevance, Relationships and Raising Awareness. Data sources include the Oregon Department of Education, the National Student Clearinghouse and the annual GEAR UP Survey of students, parents and educators.

This report, plus additional information in your Data Dashboard, can help your school reflect and make decisions about future programming, as well as inform stakeholders on the goals and progress of GEAR UP.
