

Finding a System for Learning Management – The Nervous System of a Digital Age Classroom

Brandon Olszewski, Ph.D.
Senior Education Consultant
ISTE
brandon@iste.org

Our journey today

Today's journey

- Pitfalls of the mobile transition
- Who's ISTE?
- Metaphorically speaking...
- LMS foundations
- LMS options
- Goals, challenges, and hopes

The digital school

Going mobile

The digital workplace

What can go wrong with tech in school?

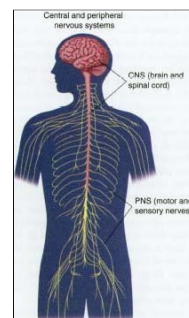

"Problems" are everywhere, though...

Who is ISTE?

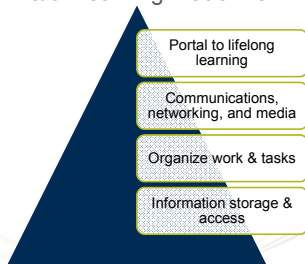

Metaphorically speaking

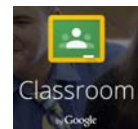

LMS foundations

Learning Management Systems (LMS)

– Also "Virtual Learning Platforms"

LMS options – there are MANY!

Edmodo

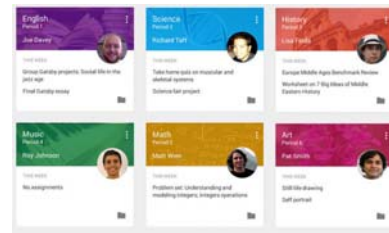

Schoology

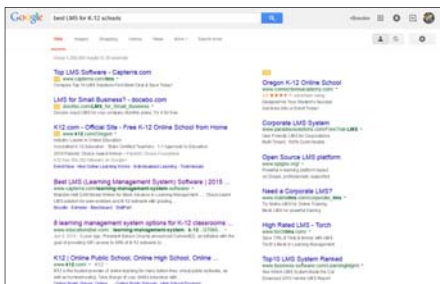

Canvas

Google Classroom

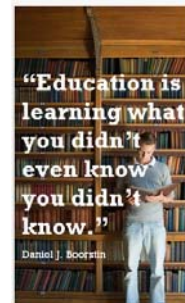

Comparison

Also, check out ISTE Commons for ideas = <http://aoo.al/507aHD>

Goals

Challenges – What are they?
