

## Senior Exit Survey (DRAFT – DO NOT USE)

This survey will ask you about your plans after high school. We are also asking for contact information so your high school and GEAR UP can follow up with you after you graduate. In the late fall, GEAR UP will be emailing a short survey to high school graduates in some schools to learn more about how schools can help students achieve their goals after high school. By completing this survey, you agree to share your responses with GEAR UP and your school. You can skip any questions you don't want to answer. Thank you!
